Now what are we going to do on Sunday nights?

## Closed 'til Spring

"Closed 'til Spring." That's what the sign says! No more Sunday nights hanging out at the drive-in. No more sleeping until noon, or basking in the sun for hours. It's time to pack away the swimming suits and drag out the pens and notebooks. It's time to hit the books!

September brought new classes, new faces, and piles of homework. Soon everyone got into the groove; freshmen finally found

their way around, and everyone settled into their own little routine.

There were many regrets of summer's end, but along with fall came football games, Homecoming, and pep rallies. Soon summer came to be pleasant memories that filled our daydreams on those chilly autumn days.

**Dan Pictor and his mentor, Mr. Schuck,** reminisce about their unforgettable tennis seasons together. Everyone will miss senior Pictor's shining face in the halls of B.H.S., especially "Mama" Pictor.

# Characters — Wild and Calm

"Variety is the spice of life," as can be seen by these B.H.S. "characters." B.H.S. students and faculty have a unique way of making an ordinary day very extraordinary. Whether it's hallway antics, out-of-control students in classrooms, intense teachers, or students performing mundane tasks, B.H.S. incorporates many of the students' personalities into one big melting pot.

Many students detest taking notes, doing homework, and preparing for tests (especially final exams!), but no one can deny that most all teenagers enjoy socializing with their friends throughout the school day. Isn't that what school's all about?

# Strike Up the Band

In 1987, the annual Homecoming Parade proved to be a success, but what else did you expect? The parade took the usual route, ending at the football field just before the Bulldogs defeated the Brookville Greyhounds.

The traditional float competition was won by the Juniors with their "It's Plane to See, We'll Soar over

the Hounds" display while the Seniors were disqualified due to misinterpretation.

The drill team, flags, and majorettes performed to the band's version of "Strike Up the Band." The representatives and their escorts, "dressed to kill", glided along the route in glimmering convertibles.

Billy Bulldog, the girl's tennis team, football parents, Hobo Hut managers and staff, Middle School football team, antique cars and new cars from Nobbe Motors were also participants in the affair.

# Big Win After Two Game Slump

Despite a two game defeat to Lawrenceburg and Greensburg, the dogs came back strongly for a big win over Brookville 42-22.

The game opened early with an eight yard run by Jay Brinkmoeller. Two passes from Tom Daily to Jason Laudick and John Siebert sent the Bulldogs to the locker room with a score of 21-6 at half-

time.

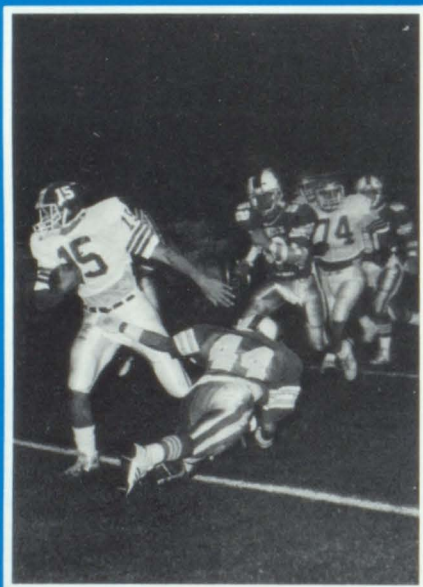

The Greyhounds then turned the ball over twice to the Bulldogs by way of fumbles, enabling Batesville to capitalize on offense once again.

In the third quarter, Daily completed another pass to Rick Ehrman. John Siebert took advantage of a one yard play. Eric

Struewing exploded downfield thirty-three yards for a long remembered touchdown.

The nostalgia of homecoming was illuminated by the introduction of the parents before the game.

# Signom, Wolferst, Gutzwiller — BHS Royalty

The moment we all had waited for was upon us, the highlight of the half-time show. With sweaty palms and shaky legs the candidates and representatives awaited in anticipation for the announcement of the 1987-88 Homecoming queen, and two new royal positions, king and princess.

Finally, the verdict was announced! As the band played the theme to 'Ice Castles', Cristin Signom was crowned Homecoming Queen of 1987-88; Dave Wolferst, king; and Gwen Gutzwiller, princess.

All in all, the night proved to be a success and made the dreams of three very proud people come true.

By Shan Waechter and Barbara Schwartz

Junior G. Gutzwiller asks her escort, J. Blum, what he thinks about being with a princess.

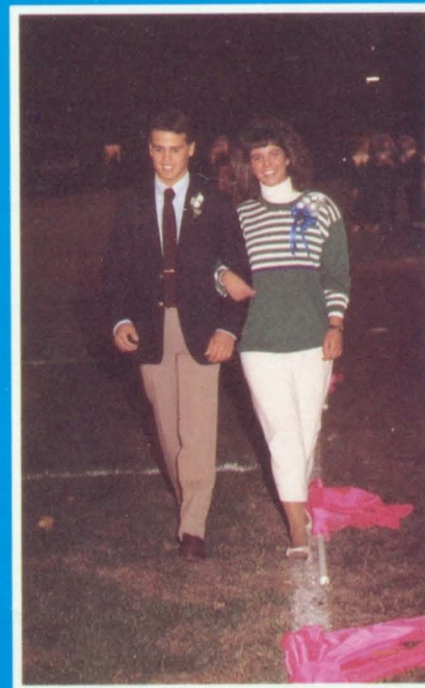

Junior D. Fledderman entices her escort, J. Hales, to look at the camera.

Senior T. Meyer warns king candidate J. Brinkmoeller not to get her all sweaty.

K. Effing and S. Claybrook walk anxiously to their royal position.

Cristin Signom and Mike Fleck stroll down the sideline to await the crowning.

The 1987 Homecoming Queen and King, Cristin Signom and Dave Wolferst, pose one last time for their royal subjects.

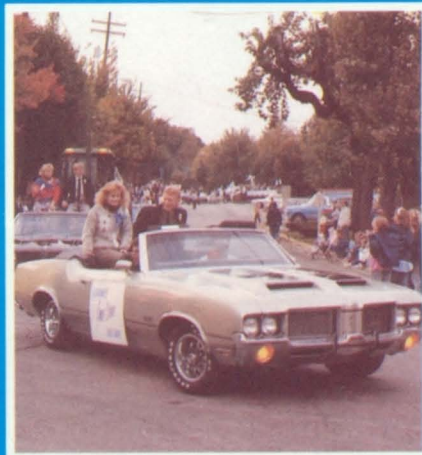

Freshmen Bob Ekins and Mindi Gutzwiller smile at the ground; but why?

Subdued Senior, Jeff Olsen, doesn't seem to be quite as enthused as Lisa Vogt.

Another sophomore brother-sister combination, Traci and Todd Dickman — Can't you tell we're related?

Middle: Dan Fleck and Randi Race smile broadly as they approach center field. Above: Wasn't it sweet of sophomore Cindy Davis to ask her brother David to be her escort?

# A Day in the Life at BHS

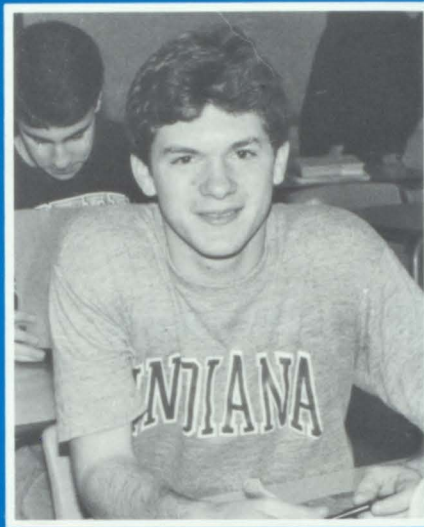

The normal schools days at BHS are filled with lots of excitement and gossip. As students walk down the halls, they can hear stories about past weekends and weekends to come. Their minds are filled with thoughts of classes, friends, parties, work, etc., as the day goes by.

# Just an Ordinary Day?

The 8:20 bell rings, a few late-comers scurry to class, the doors close and a new day at B.H.S. has begun. What will today bring? Possibly leisure time spent leafing through the latest issue of TEEN magazine, or maybe seemingly endless note-taking in history

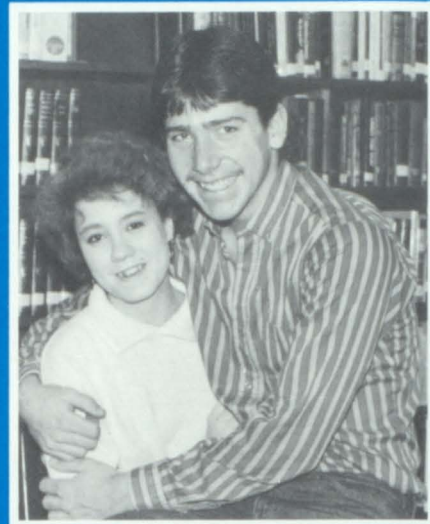

class. Not that any day was ordinary! On many days people were surprised with a bouquet of balloons. If not that, there were always some sort of embarrassing antics going on. After a long studious day, many students try to unwind. Some sit and discuss the

day's events, while others may find peace while sitting at the keyboard.

# Senioritis!

From day one of the 1987-88 school year, the class of '88 was counting the days to graduation. As soon as the second semester came, everyone was anxious and by the time spring break rolled around "Senioritis" had set in! But the Seniors hung in there and had a blast while they were doing it!

The sophomore class had a successful 87-88 year. They began their float for homecoming a week before school started. The theme was "Sink the Greyhounds". Their float consisted of a military boat sinking a small greyhound tub boat. It placed third in the contest.

On March 13th, 1988, they held a breakfast at the B.M.S. Commons. Overall, the sophomores earned approximately \$900-\$1000. They are looking forward to a great prom in the year to come.

## Faculty

Students at BHS this year were both privileged and honored to have the faculty that they had. The BHS faculty proved to be strong leaders and helpful advisors in all aspects of high school life. Throughout the year, the faculty provided the students with the services and advice that helped the year run smoothly. The faculty should be applauded for a job well done!

# Spirit Never Dies, Dome Awaits

The football season started in the summer when players went in on their own time to lift weights. Then in late August the players spent endless time practicing "two-a-days" in the hot summer sun until late afternoon. They knew the hard work and determination would lead to their playing in the "Dome." The Bulldogs started their uphill climb with a confidence-building win over Terre Haute North. Then they traveled to Southport where they fought hard but came up short losing to a good team. The Bulldogs started off conference play with an easy victory over South Dearborn. Then came the big match-up at the Hoosier Dome against the East Central Trojans. It was a hard fought game by both teams, and the Bulldogs finished victoriously with a score of 9-7. The Dogs then lost two heartbreakers to Lawrenceburg and Greensburg which were very emotional losses. But, they bounced back with a strong win over Brookville for a Homecoming victory. In the last game of the season, the Dogs hosted the Rushville Lions, who fell short in their quest to beat Scalf's Dogs. With emotions running high, the Bulldogs were fired up as

they prepared to play the first round sectional opponent New Palestine. Although the Dogs gave it their all, they fell short in their bid to make it to regional competition. The Bulldogs ended their season with an overall record of 5-4.

The Fall Sports Banquet was held November 12. The team voted Jay Brinkmoeller M.V.P. The following were chosen all-conference: Tom Daily, Jason Laudick, Dan Abplanalp, and Rick Ehrman. Two students were recognized for their hard work in the classroom, Tom Daily

and Duane Brescia, who were voted Academic All-State. Dan Abplanalp was presented with the Bulldog Award.

A new award called the Bob Raver Scholarship was awarded to the well-deserving Norm Porter. Eric Struewing was chosen by his teammates as the best defensive player.

# Lady Netters: 16-5

The Varsity Lady Bulldog volleyball team had a successful season. They weren't only the Ripley County Invitational champions, but they tied for first place in the E.I.A.C. with South Dearborn. Another fine point in the Lady Bulldogs' season was their victory over the #20 I.C.A. Twisters on their own turf in regular season play. They had an excellent record of 16-5.

The Lady Bulldogs had many outstanding players that worked

together as a team. The team had its banquet on November 12. The team voted Shelly Meyer MVP. High server award went to Traci Dickman with a 95%, which was consistent throughout the season. Traci Dickman was also awarded the Bulldog Award.

The reserve team finished 11-3 overall.

## The Back Pack Returns

The Batesville Cross-Country worked hard and had a great season in a tough conference this year. The young team finished second in the conference behind an outstanding Greensburg team. Advancing to the Sectional, they ran hard and placed ninth in the competition.

The team was led by number one runner Vince Smith. He finished second in the Conference, third in the Sectional, and missed advancement to Semi-State by only three places (13th).

The number two runner varied throughout the year. Amazing Freshman Dan Fleck was number two runner until an injury put him out for the season. Todd Dickman then filled his spot for most of the season. Senior Bill Mack started out slowly but finished strong at number three. Chris Bessler made a major improvement over last

year and ran number four. Tony Dulin ran strong at number five. John Schuerman, Tom Wuestefeld, Jim Kuntz, and Harold Mang all spent time on Varsity and Reserve.

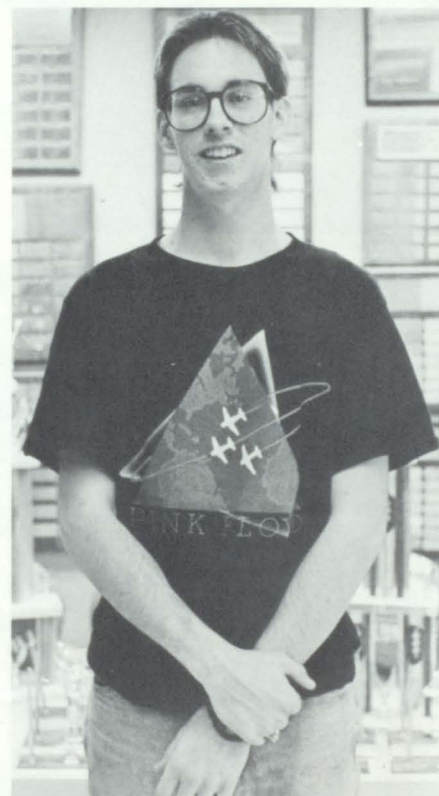

A new pack was formed this year, the "Back Pack." Fast members of the "Back Pack" included Scott Weberding, Steve Amrhein, and Brian Lacey. Other members were senior leader Randy Craig, Erin Meyer, and the inspirational Anton DeFrancesco.

Vince Smith was awarded team M.V.P. Bill Mack was awarded the Bulldog Award for his hard work and courage throughout his career. Anton DeFrancesco received the "Back Pack" Bulldog Award for his determination and leadership.

# Lady Harriers Hurl Forward

The Girls Cross Country Team had an exciting season this year. The team had three first year runners who performed very well throughout the season. The team also had some experience to lead the way.

The team was led by sophomore Tonia Fitch, who won her second Ripley County Invitational title. She finished high up in the conference. She was ninth in the Sectional and ran her best time of the year in the Regional. She proved to be tough under pressure as she continued to improve her times throughout the season.

Second year runners Kim

Krause and Tammie Wunning ran excellently over the year. Tammie Wunning was injured early in the year but Kim Krause ran on and improved her times tremendously over last year.

Third year runner Sherry Hoegeman and first year runners Jennifer Aikins, Marcia Nuhring, and Flavia Oliveira all were a tremendous asset to the team. Their participation and strong running should provide for the strongest girl's team ever in the future.

# Dogs Garner Impressive Season

The Batesville Tennis Team recorded an impressive 12 wins and 3 losses. The highlight of the year was the very impressive 16-0 record by the number two doubles team consisting of Jade Ritter and David Sunderman. The 16-0 record qualified them for the All-Conference Award and team M.V.P.'s. Fred Sagester was "Top Dog" this year, because of his 110% effort. He also received the Bulldog Award for superior effort and commitment.

Jeff Olsen and Jade Ritter earned their share of the "Oscar" Award (for hitting the opponent with the ball). Jeff Olsen won the "Oops" Award (for slamming the most balls out of play).

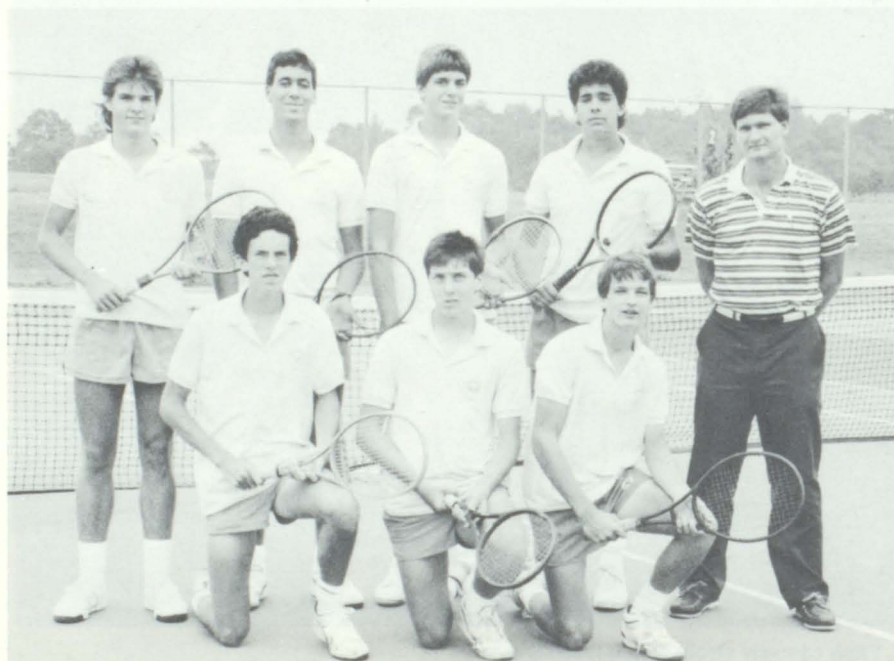

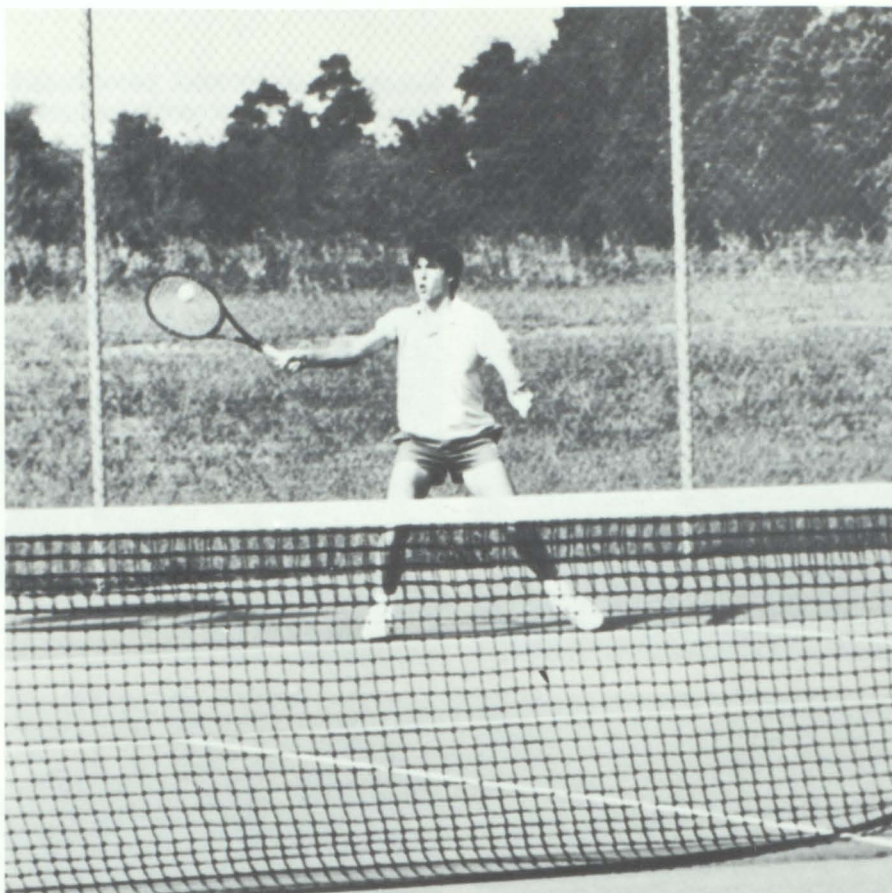

The Bulldogs were coached by second year Coach Charles Schuck. Coach Schuck will move into his third year next season with a new varsity team returning for competition.

## How Sweet It Was

The girls had a stupendous season this year, ending with a record of 13-4. In the girl's tourney the Lady Bulldogs went on to win both the sectional and the regional. They advanced to Semi-State at Seymour only to fall to the North Knox Warriorettes by a score of 53-49 in overtime. The season proved to be exceptionally good for freshman Cindy Lamping, who won honors for high scorer, rebounds, assists, and steals. Cindy was also the only freshman in Indiana to be selected by the As-

sociated Press for the state high school honorable mention team.

The reserve team ended their season with a record of 15-2. For the second year in a row, they were conference and invitational champions.

Leading in rebounds was Tammy Prickel. High scorer was Traci Dickman. Leading in assists and steals was Kristy Meyer.

# “Dog” Gone Good Season

The Varsity Boy's Basketball team finished first in the E.I.A.C. Conference with a 7-3 conference record and a 15-7 record overall. The team defeated the East Central Trojans in the second to last regular season game of the year. The team was led by Senior Dave Wolferst (also named team MVP and All-Conference), Tom Daily, Greg Weigel (87-88 Bulldog Award winner) and the junior combination of John Siebert and Tony Dulin. Several players added many valuable minutes to the Bulldogs' victories, which included Rick Ehrman, Jason Laudick, and Jeff Blum. Jason Laudick and Rick Ehrman were also named All-Conference.

The Reserve Team, under the direction of Mr. Evans, ended the season with a very impressive 14-

6 record and were winners of the Reserve Tourney. The leading scorer of the team was Todd Dickman. The Reserve Team had a balanced attack; anyone on any given night could get hot and lead the team. Marc Laker was the recipient of this year's Reserve Bulldog Award.

The Freshmen, coached by Mr. Zimmerman, had a very rocky start. They won only one of their first eight games, but then started putting things together winning six of their last eight games and finished the season off by winning Mr. Zimmerman's first Freshman E.I.A.C. Tournament. The Freshman Team ended the season with a 7-10 record.

# Spirit!

The cheeleaders, under the direction of Ms. Smith, had an eventful year. They held fund raisers such as: decorating businesses for sectional and tournament spirit, working with football moms on selling pom-poms, decorating the school, and making dinners. They were also instrumental in having pep sessions throughout the year.

# Wrestlers Break in New Coach

The young '87-'88 Bulldog wrestlers gained valuable experience throughout the season. Senior Eric Stuewing paced the Bulldogs with a 28-6 record. His 28 wins were the second most wins ever in one season. Eric also finished fifth in the prestigious Connersville 26 team Invitational, second in the Jeffersonville Classic, and was the 171 pound champion at the Brookville tourney, the E.I.A.C., and the Sectional. Eric

and Todd Harpring were the co-captains of the squad, and were the only seniors on the team this year.

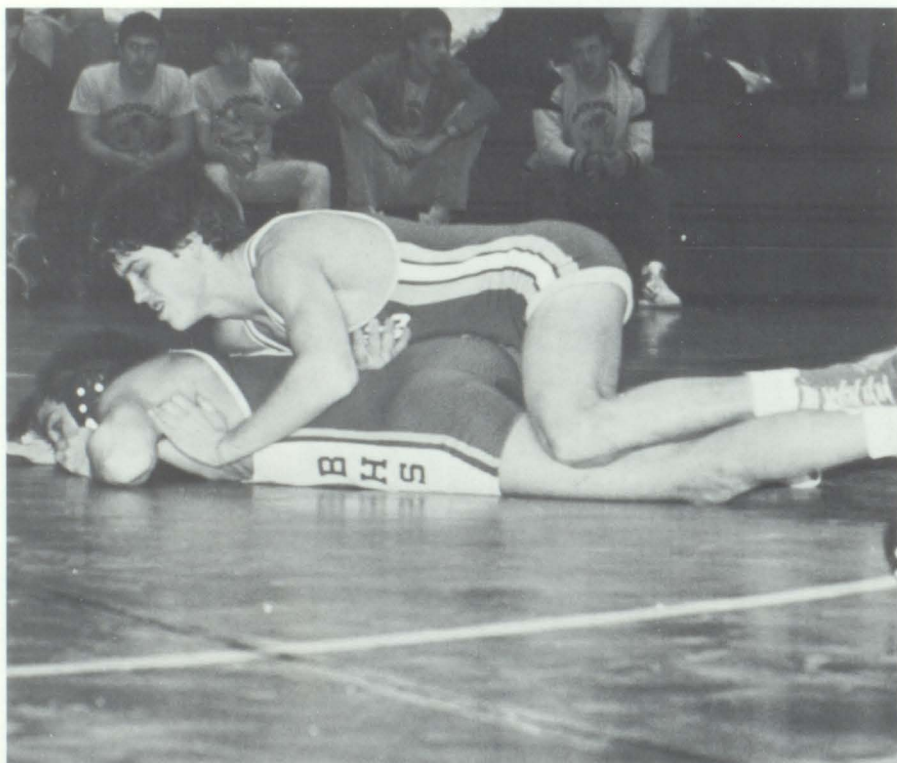

Eric Struewing got the most takedowns, pins, and won the Most Valuable Wrestler award. Bulldog Award winners were Anton DeFrancesco for the Varsity and Bill Starost for the Reserve.

# A Blast From The Past

Working on the yearbook provided many unforgettable memories such as: ad sales, deadline rushes, and canteen breaks. It seemed like we would never reach the last page, but many times work turned into fun and so the majority of times we didn't mind.

Being the editor I would like to thank the yearbook's staff for helping to create A BLAST FROM THE PAST. I hope that our endeavor stirs many fond memories for all and helps us remember our humble beginnings.

# Changing Faces

The B.H.S. newspaper, under the new direction of Mr. Mark Ferguson, has made some drastic changes over the past year. With the new appearance, name, and its own class period, the staff was constantly busy with writing, laying out, photography, design, selling ads, and trying to meet deadlines.

The two editors, Shan Waechter and John Schuerman, and the staff were responsible for the entire twelve page paper.

## TOP GUN Student Council

The Student Council again proved to be the most involved and active organization in the school. They were responsible for establishing the positive attitude of the student body through a program entitled Top Gun, which was designed by the governing body. The program was quite successful throughout the year.

Among the many other activities sponsored and organized by the Student Council, the group coordinated the events of Homecoming, including the parade as well as the crowning. The festive Christmas dinner was made possible due to the organization. Students and faculty members appreciated the council's efforts on special days. Teacher Appreciation Day included a prepared luncheon and expressions of grat-

itude to the educators throughout the day. Student Activity Day featured the annual softball games, tennis, and fun in the sun. The annual slave auction was held, which student council members and a few faculty members on the selling blocks.

The organization had fifty members this year. They met during activity periods and throughout the summer. The officers were as follows: President — Randy Wade, Vice President — Jason Hales, Secretary — Cristin Signom, and Treasurer — John Moore. Mr. Brelage is the organization's sponsor.

# Hitting a High Note

The B.H.S. band under the direction of Mr. Gray promotes school spirit and pride through music on school activities. The band makes numerous appearances at community and school parades and functions. The Pep Band helps to ignite the crowd and support the team at home basketball games and pep rallies.

The marching band performed at the Hoosier Dome in a half-time show, marched in the Homecoming Parade, the Christmas Parade, Versailles Pumpkin Show, and the McDonald's Christmas Parade in Chicago, which was televised nationwide.

The Concert Band presented a spring concert and music for the Ice Cream Social. They also combined with other Ripley County bands at the Ripley County Music Festival, which was held at Jac-Cen-Del High School on March 18.

# The Best of the Best

The choir enthusiastically awaits their cue to come in.

Through a lot of hard work this past year, the Batesville High School choir, under the direction of Cynthia Gray, proved that with enough persistence they had the ability to achieve the goals which they set early in the year. One of their goals was to travel to places outside of Batesville to perform. On March 21, they traveled to Waldron High School where they performed in the morning and then on to Union Station for an afternoon performance.

Consisting of not more than eleven members only three years ago, this 85 member choir has proven that any goal can be attained.

The fifteen members, including five boys and the Blue Revue band members, started off the year in August with a camp to learn some of their music which they would perform at various times throughout the year. Representing Batesville High School, the Blue Revue performed for many different organizations in the community as well as in the school.

# Mexican Memories

The long awaited trip to Mexico has come and gone. The great experience will be held in photographs and memories.

The anxious, but eager Spanish students began the foreign expedition Thursday, March 24, at 5:30 a.m. At this time, students and their parents met at the high school for some last minute good-byes.

The group spent half of the first day in the air and the other half was spent waiting in airports. The waiting included a long layover in the Dallas/Fort Worth airport and an unexpected stop in Cancun, Mexico. Around 8:00 p.m., the numerous lights of Mexico City were astounding.

The three days that followed in-

cluded visits to several historical sites, trips to Mexican ballet and discos, and a great taste of true Mexican culture. Part of a day was devoted strictly to the climbing of two pyramids outside of Mexico City.

The adventure continued on Monday, March 28, when the group left Mexico City for the next stop at Puerto Vallarta. Here the students were able to do more of what they wanted. They had easy access to the beach, another disco and several markets along the streets. Available at the beach for small fees were the opportunities to water-ski, para-sail, and take boating excursions to a nearby island. At the markets, students were able to try their hands at

bargaining for souvenirs.

The group began their long return to Batesville the afternoon of Thursday, March 31. The first part of the return was a non-stop flight to the Dallas/Fort Worth airport. Here everyone was required to go through customs. Also, to help pass the time, Mr. Seright, one of the chaperones, gave his senior government class the test they missed while in Mexico. The last part of the return was a non-stop flight from Dallas/Fort Worth to Cincinnati. Finally, the plane landed safely and many of the students were given a warm welcome by their parents.

# Media Assistants/German Club

The Media Assistants make the media center run much smoother and add a helping hand to the B.H.S. student body throughout the school year. In their daily routine they check out books, collect money for overdue books, run the copy machine, and other various activities. The media assistants are a big help with all their knowledge; without them the center just wouldn't function as well. Mr. Hochstetler and Mrs. Struewing are both grateful for their student assistants.

**Media Assistants Left to Right (front):** J. Niese, D. Voegele, M. Carter, J. Flederman, R. Reer; **(behind):** S. Ronnebaum, B. Dulin, M. Wenning, R. Schebler, S. Claybrook, E. Struewing, A. Dudley, T. Wilson, R. Struewing, J. Vogt, S. Giesting, A. Gerdowsky, R. Lee, D. Hooten, S. Bishop, A. Ferguson, E. Niese, C. Nuhring.

The German Club participated in many interesting activities throughout the year. They had "German Night" dinners at Koch's, began fundraisers for a proposed 1989 trip to Europe, and they took a trip to King's Island for the Winterfest. Mr. Koors would not have been able to do these things for the club without the help of the following people: President-Connie Thornsberry, Vice President-Jason Effing, Secretary-Becky Simmermeyer, and Representatives — Stephanie Hamilton and Alan Wietlisbach.

# Preparing for a Bright Future

ICT/ICE classes met third and fourth period everyday under the supervision of Mr. Carmichael. Members of this class were involved in a club, VICA, which met during the first activity period. VICA (Vocational Industrial Clubs of America) was formed for students enrolled in industrial, trade, technical, and health occupations. Its purpose is to develop leadership, learn occupational skills, to perform civic and community service, and to participate in recreational and social service.

There were forty-one members in the club this year with Eric

Blanken — President, Todd Harpring — Vice President, Rose Widener — Secretary, Heidi Prickel — Treasurer, Mike Moeller — Reporter, and Rick Shane — Sgt. at Arms.

During the course of the year, members of VICA were involved in various activities. On November 6-8, Eric Blanken, Mike Moeller, Rick Shane, Heidi Prickel, Missy Race, and Rose Widener attended a local officer leadership camp at the FFA center in Tracalgar. In December, they aided the needy by bringing food baskets to needy families. On March 26, they at-

tended the VICA Delegate Assembly and State contests in Indianapolis and April 19, they held their annual Employer-Employee Banquet where students honored their employers and supervisors for providing training.

Through the aid of ICT/ICE and VICA, students had the opportunity to further their education through job training.

# Only In My Dreams

On the night of May 21st, the 1988 Jr.-Sr. Prom took place. Colors of blue and silver filled the gym, thanks to Mr. Vicars and his student assistants, along with sounds of FINE LINE. Mrs. Voegele and the class of 1989 provided a delicious meal buffet dinner at the Sherman House and had pictures taken by Krider Studios for a mere \$14.00.

This "package deal" was made possible because of the fine accomplishments of the junior class. They earned more money than any other class in BHS history.

Cristin Signom and Mike Fleck were crowned Batesville High School's 1988 Prom King and Queen. An After-Prom Carnival was held in the gym and lounge following the prom. Many parents, staff, and community people contributed to the success of this memorable event.

# Hats Off To 1988 BHS Grads

It was a beautiful evening for graduation on the new track and football facility. Graduates anxiously awaited the presentation of their diplomas; then hats were off and airborne enthusiastically. The graduating classes of 1988 from Oldenburg and Batesville High Schools were also honored during commencement exercises.

The class valedictorian and salutatorian were Eric Meyer and John Moore respectively.
